EDUCATION

Brigham Young University Apr 2027
Bachelor of Science: Geography, Geospatial Science and Technology Provo, UT
Minor in Math, German

- GPA 3.93
- Dean's List and Merit scholarships: Winter 2025, Spring 2025, Fall 2025
- American Association of Geographers, Acoustical Society of America, Geography Student Association
- GIS, Statistics, Remote Sensing, Programming, Math

SKILLS & ACHIEVEMENTS

- English Fluency, German Fluency, Some Farsi
- ArcGIS Pro, QGIS, SPSS, SpaceStat, MATLAB, Python, SQL, Excel, ENVI, eCognition, GEE, Pix4D
- Eagle Scout, Boy Scouts of America
- Presentations: "Acoustical Mapping: Using GIS and Geostatistical Tools to Investigate Noise Propagation of Rockets"
- Certifications: FAA Part 107 Remote Pilot (2025)

EXPERIENCE

Dr. Kent Gee, BYU Acoustics Research Group Sep 2025-Present
Research Assistant Provo, UT

- Pioneered GIS analysis for the Ascent Sonic Boom and Vandenberg Ecology projects, integrating multi-source spatial data to inform acoustic and ecological impact modeling
- Developed GIS models predicting rocket noise propagation and ran geostatistical tests
- Constructed remote acoustic measurement systems with solar arrays and GPS clocks
- Processed sonic boom data using MATLAB and collaborated with physics faculty on lab projects

Geospatial Services and Training, BYU Library Sep 2025-Dec 2025
GIS Technician Provo, UT

- Developed an interactive web map exploring global earthquakes and religious sites
- Assisted university patrons with complex GIS tasks for academic research projects
- Delivered high-quality spatial analysis products and customized maps for clients

Dr. Matthew Bekker, Brigham Young University Apr 2025-Present
Weather Station Research Assistant Provo, UT

- Record daily temperature, precipitation, wind, and evaporation data
- Upload gathered measurements to the National Weather Service database
- Organize and manage historical records within a database to facilitate academic use

Dr. Steven Petersen, Brigham Young University Apr 2025-September 2025
Research Assistant Provo, UT

- Trained for FAA Part 107 Remote Pilot Certification, building knowledge of air regulations and safety
- Conducted flight training utilizing a Mavic 3 drone
- Processed drone point cloud imagery using Pix4D software

VOLUNTEER EXPERIENCE

The Church of Jesus Christ of Latter-day Saints Sep 2021-Aug 2023
Full-Time Representative Washington DC, Wyoming

- Effectively and clearly teach people lessons personalized to their needs
- Provided English classes for Persian immigrants and assisted the local Mosque and refugees weekly
- Gained basic proficiency in Farsi through immersive experiences and cultural interactions
- Managed Service Projects for Martin's Cove Mormon Site, BYU Pathway, Carbon County Library
